Hiring Manager
Tech Innovations Corp.
Civil lines,Raipur

Dear Aman,

I am writing to express my interest in the **Junior Web Developer** position at **Tech Innovations Corp.**, as advertised on your website. As a recent graduate with a degree in Computer Science and a strong foundation in front-end development, I am eager to apply my skills and contribute to your team. I am confident that my passion for coding, problem-solving skills, and eagerness to learn would make me a great fit for this position.

During my academic career at the University of California, Los Angeles, I developed a deep understanding of web technologies such as **HTML5**, **CSS3**, and **JavaScript**. I also completed several personal projects, including building responsive websites and developing interactive user interfaces. I am particularly excited about the opportunity to work with **React.js** and other modern web technologies at Tech Innovations Corp., as I am dedicated to expanding my knowledge and staying current with industry trends.

I am excited about the opportunity to contribute to your team and learn from experienced developers at Tech Innovations Corp. I am confident that my strong work ethic, attention to detail, and eagerness to grow will allow me to contribute effectively to your web development projects.

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to your team and further develop my web development skills.

Sincerely,
Vinay Kumar Bhatpahari
